Working tables

The working tables are the **operational component of City Flows 2026**. Building on the evidence and insights that emerge during the morning, they will focus on **defining shared priorities, proposals for action and recommendations** for local authorities and public decision-makers.

They will not be streamed live.

Table 1

**City Lab |
Matera: accessibility,
local priorities and
a local agenda for
independent mobility**

Organised by the *University of Basilicata* with facilitation by *commonground*.

Table 2

**Action Lab |
Urban policies
and tools for an
accessible public
space**

Organised by *Fondazione Mobilità in Città*, with facilitation by *commonground*.
